ANDREA  
MARAZZINI

[www.andreamazzarini.it](http://www.andreamazzarini.it)

**Andrea Mazzarini Srl**

Via Petrarca, 35 20015 Parabiagio (MI)

info@andreamazzarini.it

**CONTACT:** Laura Ottolini

The history of Andra Marazzini began in the early '90ies when Andrea, sculpture and art passionate, creates a line of handmade jewels. His creations are unique pieces, designed and handmade in his workshop near Milano. The inspiration comes straight from the raw materials, the artistic processing of the metal and crystals which in his hands become exclusive and amazing jewels for a woman with great personality willing to shine. In the spirit of the best Made in Italy style.

A story of growth and success. Over the years, we have added pearls and all kinds of natural stones, creating jewelry for every taste and age. Passion and creativity: our must. Let yourself be conquered! Rajola always signs its jewelry, with a castle symbol of our Torre del Greco. Vincenzo and Mariella Rajola, the fourth generation, now run the family business. A century-old passion.

**Oreficeria Romio Srl**

Borgo Casale ,60 36100 Vicenza (VI)

oreficeriaromio@libero.it

**CONTACT:** Romio Luca

Since 1971, our company propose a large collection of bracelets and watches. We have a rich cultural history that is founded on sound principles which inspire us to respect our obligations as well as punctuality and solid organization. All the models are made in 18 or 14 Karats gold, for gent and lady; we follow the imposition of fashion or we get inspiration from the various requirements of the different markets where our production is widely appreciated.

**CONTACT:** -

Tessitore company was founded in 1888 and now led by the 4th generation. In 1935 the company focused completely on handmade tubogas production becoming a world leader. Only in Naples (Tessitore1888), Verona and Florence there are some companies that still produce TuboGas the old way, handmade, thanks to the know-how of the few skilled artists and artisans left. The quality of our product is unique and can't be reproduced anywhere else.

We specialize in timelessly innovative fine-jewelry creations, engineered with our patented mechanisms that invite comfort and ease into the world of fine jewelry. Every piece is meticulously hand-crafted in Italy ONLY by highly skilled artisans. All pieces are designed to flex and expand as they smoothly slide on, eliminating the struggle to slide over the knuckle. As a result, they can be worn comfortably and passed on as heirlooms for generations without ever needing to re-size. We exclusively use top-quality precious gemstones, responsibly. We welcome PRIVATE-LABEL inquiries.
